## A NOTE FROM LYNN:

Hey Gang! Can you believe it! Summer is HERE! Yep! And man oh man have we got the places to be right here at Bartlett United Methodist Church! Make sure you take some time out to tell God "thanks" for all your many blessings! I hope to see you often this Summer! We've got some great things planned for you to have a most excellent summer! We've got the food, fun and the fellowship...we've also got the makings of a great discipleship summer too! It is going to be so good to be able to have more time to hang out this summer! Here's a thought...and I'm going to be working on it too—each day make sure you chat with God...YEP! That is my challenge to you...and also to myself (because sometimes I just take things for granted). Each day remind yourself that God IS Good and He is Good ALL THE TIME! Just because you are relaxin' for the Summer vacation doesn't mean that your faith needs to take a vacation too! Each day God needs for you to make a difference! Whether it is to make a difference in someone else's life or whether it is to make a difference in your own faith...IT'S ALL GOOD! So I do challenge you to have a daily devotion, or just daily "one on one with God" time. Take the challenge...I dare you to make a difference in your faith! After the challenge is taken - how cool is it that we have all these events planned that you can enjoy -hoopin' and hollerin' and just being excited that you are a child of God! I hope to see you often this summer! If you head out on a trip or on a family vacation...don't forget to drop me a postcard! Just mail it to the church... I would love to hear of your summer adventures! Well, I better let you go! You've got a lot of things to get ready for! Hang on ....it's going to be a most awesome, wonderful, eye-opening, laughin' out loud kind of wild ride! I saved you a seat...so all you got to do is "get on board"!

Have a Blessed day!

In Christ, *Lynn Thompson*
